7. **Dress in layers** - The forecast for Saturday is sunny with temperature in the high 70's but please dress in layers as the ballroom temperature can sometimes be on the cooler side. We suggest casual business attire.

8. **Agenda changes**- We have two changes to the agenda. First, due to a last minute scheduling change, Congressman Castro is unable to attend the summit. He sends his deepest apologies and has provided a pre-recorded address to share with attendees. Second, we are very fortunate that Congressman Honda, 17th Congressional District has graciously accepted to present the SVLLS Pioneer Leadership award to Henry Cisneros.
